Memorandum

~~SECRET~~

TO : Director of Communications

DATE: 17 FEB 1967

FROM : Chief, Engineering Staff, OC

SUBJECT: Engineering Staff Monthly Report for January 1967

With the recent T/O reductions, Panel N personnel statistics for January 31 reveal [] authorized billets. We are overstrength in both Electronic Engineers (2) and Technicians (5). The [] include three people away at full-time college study.

25X9A2

25X9A2

Our total official TDY for January was slightly in excess of 200 man-days or, 10 man-months. Travel costs continue to run high.

25X1A9A

[] are attending the current Mid-Career Training Program.
